Embracing Success, Growth and Optimism

In this newsletter, we present stories of success, optimism, growth, and the expansion of our Udayan Care family. From major recognitions to new updates on skill centers, and from heart-warming success stories to festive celebrations, Udayan Care is growing. Immerse yourself in the profound impact we are creating together!

The 23rd Skill Development Training Centre Inaugurated

Udayan Care's 23rd Skill Centre opens in Manesar, Gurugram (Haryana). It is the first initiative to implement NSDC-recognized telecom courses like Mobile Repair, Broadband Technician, Customer Care Executive, Repair Centre, etc. We have successfully enrolled 42 youths in the first chapter, and aim to provide training to 140 youths in this centre.

Udayan Shalini Fellowship Interchapter Meet 2024

From March 31st to April 2nd, USF hosted an Interchapter meeting that gathered program coordinators, core committee members, and volunteers from all 34 locations. The team engaged in discussions and sessions focused on shaping the future of USF, including insights into our 2030 and 2035 goals. Highlights included master classes on Entrepreneurship and Branding, and sessions on operational discussions, financial processes, and donor management.

Sukriti Shines at Genpact Earth Day Event with Handmade Treasures

This Earth Day, Sukriti showcased products crafted by our skilled women at Genpact's full-day event in Noida. The display included quilled jewelry, beaded necklaces, and clothing items like shirts and crop tops. Genpact employees admired our handmade products, and some visiting clients from the US purchased several items from Sukriti.

Eid Festivities Light Up Udayan Ghar

The children of Udayan Ghar celebrated Eid in a joyous and inclusive event, embracing the festive spirit and promoting cross-cultural learning and understanding. They enjoyed interactive activities designed to spark their imaginations and honor the essence of Eid. The children also showcased their artistic talents by sketching traditional motifs.

Amit – An Epitome of Perseverance

At just 20, Amit secured a coveted position as an MIS Executive at RBL Bank in Gurugram. Despite numerous challenges and limited resources, he completed his commerce degree while immersing himself in an Accounts Executive (Tally Prime) training program. Through hard work and determination, Amit achieved financial stability and found fulfillment.
