

**“Udayan”** is a Sanskrit word meaning “Eternal Sunrise”. Registered in 1994 as a Public Charitable Trust, Udayan Care aims to bring sunshine into the lives of underserved sections of society that require intervention and works to empower vulnerable children and youth, in **36 cities across 15 states of India**. **In 28 years**, we have directly impacted the lives of close to 30000 children, youth and thousands more as indirect beneficiaries from our programmes, training and advocacy efforts.

### Our Vision

Making Young Lives Shine

### Our Mission

By engaging individuals, committed to human rights, under the framework of the SDGs, Udayan Care enables nurturing homes for vulnerable children; empowers girls to aspire for and pursue higher education and gain employability; offers communities digital and vocational training to become self-reliant. Through research, training, conferences, and advocacy, Udayan Care influences policies and practices on the Standards of Alternative Care in the South Asian region.

### Our Values

COMPASSIONATE

## ISSUES WE ADDRESS

### CHILD & YOUTH CARE

- Over **23 million** children without parental care in India.\*
- Only **1.4%** receive any sort of formal alternative care.
- Aftercare programmes almost non-existent

### EDUCATION

- **97%** girls enroll in primary school#
- Only **23%** enroll in higher education#
- Only **21%** of women are in the workforce right now.

### SKILLING

- Almost **50%** of India's population is below **29** years old yet almost **50%** of youth do not receive any vocational or skill training to become employable.

## OUR CORE PROGRAMMES

### Udayan Ghar

Udayan Ghars (Shunshine Homes) are small group homes providing care and protection to children without parental care, through a strategy called L.I.F.E – Living In Family Environment. We've nurtured nearly **2000** children across **16** homes, till date.

### Aftercare Programme

Supports children who exit from our Udayan Ghars, upon turning **18**. During their stay, they study and train to become self-reliant and financially independent adults. Our Aftercare programme helps these young adults stand on their feet.

### Udayan Shalini Fellowship

Provides monetary and mentoring support to disadvantaged girls for secondary and graduate studies, to grow into dignified, independent women (*Shalinis*), leaders and responsible citizens of tomorrow. USF has empowered **13500+** girls in **31** chapters through higher education and mentoring.

### Aftercare Outreach Programme

Ensures continued support to Care Leavers coming from Child Care Institutions towards their self sufficiency, through pursuit of education, skilling, employability readiness, mentoring and independent life skills.

### Udayan Care IT Centre

Based on Udayan Care's mission to enable every adult the dignity of self-reliance, Udayan Care's Information Technology Centres were initiated to enable under-served youth and adults to improve their livelihood options. UCIT has enabled **25000+** students with technical and employability skills across **19** centres.

### Udayan Care Skill Development Centre

Our Skill Development Centres provide livelihood trainings to disadvantaged women and support by helping them sell the items created by them, under the label 'Sukriti'. We've empowered **1500+** women with vocational skills till now.

### Advocacy Research and Training (A.R.T)

A.R.T Programme is focused on ensuring and enhancing the rights of children without parental care, by influencing policy makers, through our on ground research, demonstrable models, trainings, conferences and publications.

### Volunteer Programme

Our volunteering and internship programme offers innovative platform for Citizen Action – for people from diverse walks of life, employees, retired professionals, home makers, university students from across the globe. Thousands of long term and short term volunteers have volunteered with us in our **28** year journey.
